Home RO Water Purifier (Mineral+)

A wall-mounted RO purifier for homes, with a 7–14 litre storage tank and a mineral cartridge that adds back calcium and magnesium for better taste. Pumped and non-pumped models are available.

- Stores 7–14 litres of purified water, enough for a family's drinking and cooking.
- The mineral cartridge adds back calcium and magnesium, so RO water does not taste flat.

Storage	**7–14 L**	Purification	**RO + minerals**
Feed water TDS	**Up to 2,000 ppm**	Filtration stages	**Sediment, carbon, RO membrane, post-carbon, mineral**
Purification rate	**About 12–15 litres an hour**	High-pressure pump	**Booster pump on pumped models**
