Home RO Water Purifier (Mineral+)

A wall-mounted RO purifier for homes, with a 7–14 litre storage tank and a mineral cartridge that adds back calcium and magnesium for better taste. Pumped and non-pumped models are available.

Storage	Purification	Feed water TDS
7–14 L	**RO + minerals**	**Up to 2,000 ppm**

Highlights

- Stores 7–14 litres of purified water, enough for a family's drinking and cooking.
- The mineral cartridge adds back calcium and magnesium, so RO water does not taste flat.
- Pumped models work even when your tap or tank pressure is low.

Used in

Homes and flats · Small offices · Clinics · Shops · Small restaurants
